

Wormholt News

Friday 11th June

Head's Chat

It was so lovely to see everyone back after the half term break. I hope you all had a great week. The children looked very happy on Monday as they came through the gates. Thank goodness the weather has cheered up too. It really does make a difference!

While we have this lovely sunny weather, please make sure your children bring a hat and a bottle of water to school. Also, please ensure they have sun protection on their skin.

We have an exciting half term ahead of us. I can't quite believe it's the last half term of this school year.

I've had lots of children being sent to me this week, to show me wonderful learning. It always brings a smile to my face. The children are so proud of their achievements and I am so proud of them too.

As you will see later in this newsletter, we have some superstars who have been awarded Head Teacher Awards for the month of May. We also have our two 'Star Readers of the Week.'

Have a great weekend everyone!

As always, if you need to contact the school outside school office hours, please email covid@wormholtpark.lbhf.sch.uk

It is essential that any positive cases of COVID are reported to this email address as soon as possible.

Anika Hargie

Head Teacher

Face Coverings - reminder from last newsletter

Following recent government guidance on face coverings being worn in schools, from Monday 7th June, we will no longer insist that parents/carers wear face coverings when in the playground. However, if you visit the office or want to speak to a member of staff outside, we politely ask that you wear one.

Please respect others who choose to continue wearing face coverings. It is a personal choice that must be respected. Also, it is important that we all continue to socially distance in the playground.

Please note, that if there is an increase of cases in the area, we may have to go back to asking that everyone wears a face covering again.

We still need to be careful and protect each other.

Lateness and Soft Start

Please make sure your child is in school by 8.50am at the latest. On Tuesday 8th June, nearly 30 children arrived after the gates closed. We really need to improve this. Maybe leave 5 minutes earlier, so everyone is in school, ready to learn on time. The gates open at 8.30am and children go straight to the classrooms to begin their 'soft start.' The children really enjoy this time and children who are persistently late, miss out on these activities.

Year 1 had fun on scooters!

Year One had fun in their first scooter skills session. They played games that helped them to improve their balance, control and coordination. They had a lot of fun! It was such a success they will be continuing the sessions this term so Year One parents please remember to bring in scooters every Tuesday!

Skills Builder Challenge Day

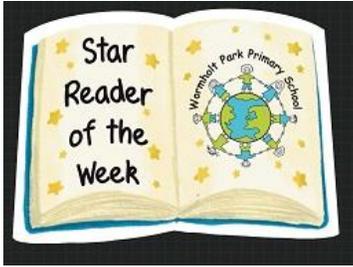

On Friday 18th June, the whole school will be taking part in a 'Skills Builder' Challenge day. This year the Challenge day will be called '**Crash Landing**'. During the day the children will be exploring clues to find out who's crash landed in the playground. The lunch time staff have also planned to do a space-themed menu on this day! **All children can dress up as something to do with Space on this day if they like!**

We look forward to telling you all about it next week!

Readers of the Week

This week, the Readers of the Week are:

Tajayah in La Paz

Dan in Athens

They both came to read to me today. What a treat! Well done, both of you.

Head Teacher Awards

These children were chosen by their teachers for Head Teacher certificates!

Nursery	Maryam Adam	Mason Jah'Quan
