## Head's Chat

I hope you've all had a good week. What bizarre weather we've had! Cold winds, bright sun, hailstones and it's May! Let's hope we get some warm weather soon.

Thank you to everyone for helping to make yesterday run so smoothly. The children came into school so sensibly through the 'secret gate'. They were all quite excited by the change.

Next week, Ms Osta, Ms McNiffe and I will be visiting all the year groups, looking at how well the children are learning. This is part of our school's monitoring cycle. I'm sure I'll have some lovely things to report to you in the next newsletter!

We are planning to run some outdoor parent meetings before the half term break, as we are very aware that although phone call meetings have taken place, we have not been able to do any face to face ones. We are in the process of working out the best way to hold the meetings in the playground. You will receive further information about this soon.

I would like to take this opportunity to wish all our families celebrating Eid a very happy day next week.

As always, if you need to contact the school outside school office hours, please email [covid@wormholtpark.lbhf.sch.uk](mailto:covid@wormholtpark.lbhf.sch.uk)

## Parking

Please make sure you park safely when driving your child to school. There was a complaint from a member of the public today, as one of our parents had parked very dangerously.

## School Uniform

Please make sure your child wears school uniform every day. There are rather a lot of children wearing non-school colours. We are proud of our uniform and would like the children to look neat and smart when they come to school.

PE kits can be ordered from the school office. If you do not buy our PE kit, please make sure your child is dressed appropriately for PE. We have had a few children wearing inappropriate items recently.

Also, please make sure your child's name is written in all items of clothing!

<h1>Schofield Student Special</h1>			
<p>On October 23rd, Phillip Schofield and his ITV show came to Silton year 6 children and it was called Woodstock park primary. On the show called "How to spend it well on Christmas".</p>			
<p>They went to give cause they needed more for them to make a show. They went to test out some toys, light maybe they needed some fun cause lockdown was very boring. Kaya (Year 6) completed a bubble cube in 10 or less than 10 seconds. Kaya then said "lockdown was very boring and everyone agreed but another person said 'The bubble cube makes me angry because not the only one'."</p>		<p>Yes b and Schofield!</p> <p>As ITV studios is just around the corner of Woodstock they are sure to see Year 6 and Phillip Schofield in the summer maybe even Year 5 might see him! too but that is in October 23rd - December 1st.</p> <p>The year 6's didn't have to do exams this year and are getting ready for their Secondary school. Have fun Year 6!</p>
