## Head's Chat

Hello everyone!

I can't believe we only have three weeks left of term!

As I mentioned previously, we are all very sad that we can't invite you to our Sports Days and Year 6 Leavers Do this year. We very much hope that everything will be back to normal very soon. The children will still have lots of fun and the staff here will make sure they cheer even louder than ever!

As the delta variant is spreading in the area, we would advise families to get tested if anyone in the household has any symptoms. The guidance states that the common symptoms of this variant are a runny nose and headache. It's better to get tested if in doubt.

We have a busy week coming up!

Next week is our final Skills Builder week of the year, with children engaged in lots of different projects, to help them develop the following skills; listening, speaking, problem solving, creativity, staying positive, aiming high, leadership and teamwork.

Remember to ask your children all about what they are doing during the week!

On Monday, Year 5 are visiting Burlington Danes Academy for a taster day. I met the Head Teacher a couple of weeks ago to chat about this visit and it sounds like they are going to have a fantastic day.

On Tuesday and Wednesday, Ms McNiffe, Ms Virdee and I, will be meeting the parents of our new Nursery and Reception parents - we are really looking forward to welcoming them to our school community.

On Wednesday, the Year 2 children have a Florence Nightingale workshop, which sounds great fun.

On Thursday and Friday, we have our Sports Days, which will be held in year group bubbles.

As always, if you need to contact the school outside school office hours, please email [covid@wormholtpark.lbhf.sch.uk](mailto:covid@wormholtpark.lbhf.sch.uk)

Zayden in Year 4, who has been a super star all year, was chosen to go to a special ceremony at Wembley Stadium last Saturday night! He was given this wonderful kit, he went on the pitch and watched the match in one of the best seats in the stadium. You deserved this after all your hard work and brilliant behaviour Zayden!

## Facts about Women's rights

Why is it that women are seen as less competent?

Cultural biases consistently overrate men and underrate women. Women make up only 15% of board seats, 14% executive officers and a paltry 2% of C.E.O.s. Which means 98% of men become C.E.O.s successfully.

According to studies women are the stronger sex.

A recent academic study has shown that under extreme conditions such as famine, epidemics and enslavement, women are able to survive longer than men. The conditions experienced by the people in the analyzed populations were horrific but women survived longer than men.

What was the role of women like in Tudor times?

Popular women were governed by the rules of society. Women were raised to believe that they were inferior to men and that men knew better and were better. They were made to obey men at all costs.

When were women allowed to vote in the UK?

When were women allowed to vote in the UK:  
In 1928 women were finally allowed to vote after the suffragettes protested for their rights. The suffragettes were a group of women who fought for the vote once they saw that other women from other countries had more rights than them.

William was lying in bed with tears in his eyes. He didn't know what to do. How could they not believe him? He wanted to leave forever. The eagle had given him more love than he had received in his entire life. He snuck downstairs and to the door. Tentatively, he reached out to the handle, and really leave his family? He turned the handle and pushed the door open before he could have more second thoughts.

The dazzling image that stood before him was one of the most beautiful that he had ever seen, the deep-like sea was glittering in the moonlight. William couldn't take his eyes off the stunning landscape. Only when he heard muffled sounds coming from the bay was his attention pulled away from the sea.

Who's there?' whispered William who wanted to go back to the safety of his bed. He limped towards the ever-growing noise. He reached out to the hay and pulled a dump out.

Sam's face was wet with tears.

"What's wrong?" asked William.

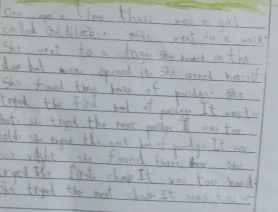

"My wife is dead," whispered Sam, "and it's all my fault!"  
I'm sorry Sam. What happened?"

I'm sorry Sam, what happened?  
Sam explained that the...

son explained that they always went fishing together. One day, he tipped the boat over by accident, causing her to drown. He drank as it was his way of coping. He was lonely and sad without her.

I'll live with you, Sam!"

William lived with Sam and went swimming every day.
