

# Welcome to NURSERY

In our nursery we have two classes which are called Manila and Mogadishu. Our teachers are Ms Takeram and Ms Sunmor and we also have Ms Horgan, Ms Rahmani and Ms Macalka in our nursery team!

Our main aim in nursery is to foster happy and independent children who thrive in an environment which is fun, caring and full of new and exciting challenges and experiences. The children are given opportunities for both indoor and outdoor learning on a daily basis, with activities being planned to stimulate their senses and learning styles.

The EYFS curriculum focuses on seven areas of learning. The prime areas of learning will focus on:

- Personal, social and Emotional Development
- Physical Development
- Communication and Language

The specific areas of learning will look at:

- Literacy
- Mathematics
- Understanding the World
- Expressive Arts and Design

All of our children will be working with these seven areas of the curriculum.
