

Decorative header featuring six cartoon children (three boys and three girls) holding hands around a central globe. The globe shows continents and is surrounded by a sun and a gear. The text 'Welcome to YEAR 1' is written in a playful, cursive font, with 'YEAR 1' in large, bold, blue block letters. Below the text are two flags: the Cuban flag with the word 'HAVANA' and the Zimbabwean flag with the word 'HARARE', separated by a stylized ampersand.

Welcome to YEAR 1

HAVANA & HARARE

We have two classes in Year 1: Havana Class with Ms Farqharon and Harare Class with Ms Koresski. We are also supported by Ms D'Cruz, Ms Deluwatta and Ms Phillips.

In Year 1, children make the exciting transition from Early Years to Key Stage One. We encourage them to become increasingly independent and enjoy learning through focused tasks and structured play. Half-termly topics also encourage them to explore and develop their understanding of the world, grow in confidence and self-belief through fun and creativity, while acquiring the early building blocks of learning for life.

Some of our exciting topics will include: 'Super senses!', 'Castles' and 'Chomp, Stomp Roar'. We will be learning to be mathematicians, writers, readers, scientists, artists, historians, geographers and lots more. A busy year ahead!

We value working with parents as partners and really appreciate your support with your child's learning at home. Our door is always open should you want to talk to us.
