

Welcome to YEAR 6

Year 6 is a very exciting and important time for us: we complete our last year at primary school, take our SATs tests in the Summer term and prepare for secondary school. Our teachers (Mr Hoskins, Mr Hopwood, Ms Ejlilou and Ms Riaz) have very high expectations for us and aim for us and want us to achieve our very best. In Year 6, we will be working harder than ever to be the best possible learners by the time we leave Wormholt Park!

As the oldest children in the school, there are lots of areas and responsibilities through which we can demonstrate our increasing maturity, including: recycling duties and wet play monitors. Highlights of Year 6 include:

- A varied range of interesting and fun topics such as: The Tudors, Titanic, World War 1, The Changing Role of Women and Me, Myself & I.
- A variety of trips and workshops, for example: a PGL trip at the end of the year as well as sporting events such as Mayors Cup and athletics tournaments!

We are looking forward to a year of hard work and fantastic success together!
