

# WORMHOLT PARK

## Parent Workshops

At Wormholt Park Primary School, we understand that working in partnership is vital in supporting the educational and social development of our children.

We are excited to announce that we will be holding parent workshops to support parents in understanding what the children are learning, how it is taught and what you can do to help at home. Most importantly, these are intended to help parents support their child's learning and encourage them in whatever they are doing.

Please see below for the various sessions we have planned this term - we would love to see you there!
