Head's Chat

Dear Families,

This week Year 6 had their SAT tests, as did all Year 6 pupils across the country.

I would like to write this message to all of our wonderful Year 6 children:

We measure your progress not just in test results, but in how you treat others, your attitude to learning and how you've developed into confident individuals since you've been at Wormholt Park School.

The people who mark your tests don't know that some of you have the most impressive talents; many of you excel in art, many can speak several languages, are brilliant at sport, drama, singing, being funny and caring for others; these are just as important. Be proud of your many achievements, because we are.

You have all persevered throughout the pandemic and have achieved so much. The SATs tests give a snapshot of where you are in your learning journey so far in English and Maths only.

They do not show what makes you special to us, your friends and your family.

Year 6 - well done. Have a lovely restful weekend. You deserve it.

Mrs Hargie

Headteacher

Pyjamarama - Friday 13th May

Well done to everyone for wearing pyjamas today. I will give you the grand total next week.

Thank you for supporting this.

Nursery & Reception Parent Workshop : Speech and Language

Mary Hunt, the Early Years Speech & Language Therapist, is holding a workshop for parents of children in Reception & Nursery on Tuesday 17th May at 2.00pm. During this session she will be sharing her top tips to develop your child's language and communication skills. See flyer for more details.

Is your child in Nursery or Reception?
Come along to:

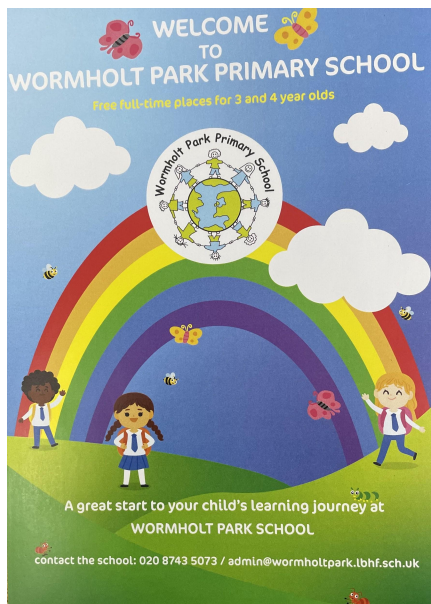

Speech and Language Therapy Parent Workshop
Tuesday 17th May 2022
14.00
At Wormholt Park Primary School

This workshop will cover:

- ✓ Language and communication development in early years
- ✓ Top tips to develop your child's communication
- ✓ Find out more about Speech and Language Therapy

Nursery Places

Please remember to fill in an application form for your child to start in our Nursery in the Autumn Term. Your child can start as soon as they are 3 years old if there is space. At the moment, we have plenty of spaces for September. Our Nursery is a wonderful place for your child to start their learning journey! If you'd like to come and look around, please contact the office and we will arrange a convenient time. Also, if you have any friends or relatives who need Nursery places, please tell them to get in touch.

Jubilee Event

To celebrate the Queen's Platinum Jubilee, we will be having a children's picnic on Friday 27th May. The children who usually have school dinners will be given a packed lunch and we will eat outside (if the weather is good!) On this day, the children can wear red, white or blue (or a mixture) .

We are learning a song to sing together too. You can practise this at home. Just follow the link:

Don't worry grown-ups, we will be holding a wonderful event in July, when you will all be invited to have a picnic as a whole school to celebrate our 100th Birthday! More information to follow after half term.

Our School Website

There is so much information on our website. Please have a look!

Uniform Survey

There was an overwhelming response to the School Uniform survey - thank you. We will be asking the children what they think about uniform next week.

Parent Governor Outcome

We are delighted to announce that Nayer Chishti (Ateeb's mum in Y5) is staying as a parent governor for another four years.

Skills Builder Weekly Challenge

Have you been completing any of these skills builder challenges at home? Please let us know how you are finding these. Come and chat with Mrs Everett at the end of the day - alternatively you could drop us an email. Here is this week's challenge!

Skills Challenges

[See all Skills Challenges](#)

Consider this challenge: a charity wishes to organise a 'fun run' in your local area.

The course must be accessible to people of all ages and abilities. Draw different routes your 'fun run' could take.

Which one would be best so that everyone could be involved?

Reflection Questions

Getting Started: What are the instructions?

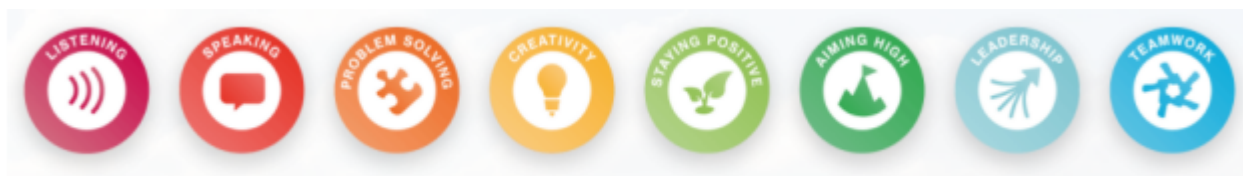

Intermediate: How can you come up with lots of possible solutions?

Advanced: Why is it important to consider a range of solutions for problems?

Mastery: How might you choose between different solutions to a complex problem?

 **Problem Solving**

Skills Builder has resources available for parents/carers on their website. The [Home Zone](#) helps parents and carers to build their child's essential skills at home. Each week they have a different Skills Challenge that parents/carers can complete with their child. [Click here to visit their website](#)
