Head's Chat

Happy Friday!

I hope you've all had a good week. SLT visited Year 4 and 6 this week and we were so impressed with the teaching and learning we saw. Year 4 were busy with maths work and performance poetry, while Year 6 were learning about parenthesis. If you have a child in Year 6, they will be able to tell you what 'parenthesis' is. The behaviour of the children was outstanding; they were all so focused and engrossed in their tasks. Paige in Ankara class particularly impressed me, with the wonderful way she read her section of a poem out loud, with wonderful expression! In Year 6, the children showed excellent collaborative learning. They worked so well as a team.

Well done to Seoul class for their assembly today. It was our first class assembly of the year and it really was fantastic. The children had learnt so many facts about the World Cup and they sang a great song too.

We have had to say a couple of goodbyes recently. Last Friday, Maunika (Ms Selvarayan) left us for a while to have a baby. We can't wait to hear when the little bundle arrives. Today, Sean (Mr Amiri) left us. He is pursuing a new career. He will be sadly missed.

Don't forget to bring your Harvest donations on Monday, for our Harvest Festival!

Have a lovely weekend,

Mrs Hargie

Headteacher

Class photos will take place on Thursday 13th October, so please make sure your child is in their smart uniform!

Pen Licences

As I mentioned a few weeks ago, we are having a big push on perfect presentation in books. Part of this, involves the children writing in their best handwriting at all times. We have been incredibly impressed with the standard of handwriting across the school. When a teacher thinks a child has perfect handwriting, they are sent to Mrs Hargie with their book and if she agrees, the child is rewarded with a pen licence. This means that the children use a special handwriting pen in their books from now on.

This week, the pens arrived and these four superstars were the first to be given the licence and pen. Well done to Dilan, Annalise, Parnian and Ayat!

Have you been completing any of these skills builder challenges at home? Please let us know how you are finding these. Here is this week's challenge!

Think of a friend or family member you know well.
Draw them in the middle of a piece of paper.
Around the edge, write all of things this person is good at.
Share it with them and see if they agree.

Reflection Questions
Getting Started: How can you find out about how others are feeling about something?
Intermediate: How can you find out more about strengths and weaknesses in others?
Advanced: How might you be able to motivate others to improve their weaknesses?
Mastery: What kind of leader would you like to be?

Leadership

Skills Builder has resources available for parents/carers on their website. The [Home Zone](#) helps parents and carers to build their child's essential skills at home. Each week they have a different Skills Challenge that parents/carers can complete with their child. [Click here to visit their website](#)
