Friday 18th November

Head's Chat

We all had fun today wearing our PJs/Onesies. Thank you to everyone for supporting Children in Need. We will let you know how much we raised in next week's newsletter.

I think we've had enough rain now. It's been a bit of a wash-out this week, so if the rain could stop for a bit, that would be great!

Year 2 and 3 both went on trips this week. Year 2 went to the cinema and Year 3 to the British Museum. They all had amazing times. The feedback from staff is always how well behaved our children are on trips. This makes me feel incredibly proud as Headteacher. The children are a credit to you all.

Please read below about our School Development Plan (SDP) . It will explain to you what our school priorities are this year.

Have a great weekend.

Mrs Hargie Headteacher

Our School Development Plan (SDP)

Every year, as a school, we think carefully about what we need to do in order to be even better. We then create a School Development Plan (SDP) which outlines the priorities for the year.

This year our priorities are as follows:

- To develop the Wider Curriculum across the school

We have bought curriculums for Geography, History, Computing, French, PSHE, Art & Design, Design & Technology and Music. The curriculums have been produced by a company called Kapow. The planning ensures that teachers can identify the key knowledge that they want the children to learn and ensure that it is well sequenced. This will enable the children to know and remember more over time. The feedback from staff and children has been extremely positive so far. Please ask your child what they have been learning in these subjects, as this will help them to remember.

- To improve writing across the school

All the teachers have received training in how to support children with their writing. As a school, we are creating a new writing scheme of work, which will enable the children to make rapid progress.

- To improve children's memories

We are constantly recapping on and revisiting learning to enable children to consolidate their learning and remember more. We are actively encouraging parents/carers to talk to their children regularly to enable them to recall knowledge they have learnt at school.

- To develop subject leaders

We now have subject leaders for every subject. The leaders will have lots of training to make them the best leaders they can be. This will enable them to lead their subjects successfully and monitor the teaching and learning in their subject to ensure good progress is made across the school.

- To develop the new Early Years Curriculum

All staff have received training on the new curriculum. We are increasing opportunities for sensory play. We are building stronger relationships between home and school.

Our SDP will be focussed on throughout the school year. Our governors monitor the progress each term. If you have any questions about our SDP, please feel free to email the office on info@wormholtpark.lbhf.sch.uk and the email will be forwarded to the SLT.

Year 2 Trip

Year 2 were lucky enough to visit Vue cinema in Westfield this week. They watched the animated movie Conni and the Cat, it was funny! They got to sit in the VIP seats and all had a fabulous time.

h&f
Hammersmith & Fulham
Saturday Family Cycle Training: Ravenscourt Park / Normand Park

Readers of the Week

This week, the Star Reader of the Week is:

Abeeha in Santiago (Year 6)

Well done !

Skills Builder Weekly Challenge

Have you been completing any of these skills builder challenges at home? Please let us know how you are finding these. Here is this week's challenge!

Design a 'safe space' in your house.
This can be somewhere you go if you need to let out your emotions and calm yourself down.
Fill the space with positive phrases and objects that make you feel happy.
How will this space help you when you need to stay positive?

Reflection Questions

Getting Started: How does this activity make you feel?

Intermediate: How could you use this activity to feel more positive when something goes wrong?

Advanced: How could this help you to look on the bright side of something?

Mastery: How can you manage your emotional response to best support others?

Skills Builder has resources available for parents/carers on their website. The [Home Zone](#) helps parents and carers to build their child's essential skills at home. Each week they have a different Skills Challenge that parents/carers can complete with their child. [Click here to visit their website](#)

School Calendar

November

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
		1 Library	2	3	4	5
6	7	8 Library School uniform meeting	9	10	11	12
13	14	15 Library	16	17	18	19
