Friday 2nd December

Head's Chat

We really are lucky having Wormholt Park on our doorstep. Look at this lovely photo taken early on Monday morning!

This week, SLT has been visiting the Nursery and Reception classes. It has been wonderful seeing how happy and busy all the children are. The Nursery children were so engaged with their activities both inside and out. The Reception children were doing their phonics lessons. They are so good at recognising sounds and blending words together!

In the lead up to the holidays, we have lots of events going on at school, so please look at the dates below in the newsletter, so you don't miss anything! We are not selling tickets in advance for the shows this year, you can just pay on the door (£1.00 each).

Have a great weekend.

Christmas Lunch and Jumper Day

Our Christmas Lunch will be on **Thursday 8th December**. If your child has a festive jumper/top/or anything else, they can wear it on this day! Remember to bring back the slip sent out this week if your child usually has a packed lunch and would like the school Christmas Lunch on the day.

StringFever Concert - return slips asap

On Tuesday 6th December, we will be the first school in the UK to have a concert performed by String Fever, a world famous band! They have featured on TV many times and travelled the world. As the letter you have received explained, they will be filming some of the concert, so please remember to sign the form as soon as possible and return it to school. Thank you!

Christmas Show

EYFS and KS1 attended a festive show this week called 'The Clumsiest Elf'. They had a great time trying to help the elf find Santa's keys for his sleigh. What a great way to get into the festive spirit.

Pyjamarama 2022 - Thank you

We have received a lovely email from BookTrust this week to say thank you for our donation. You may remember we took part in Pyjamarama day in May 2022 and we raised £198.42. Our donation will support Book Trust to continue their vital work getting every child reading regularly and by choice, so they can reap the life-changing benefits of reading. It will help support programmes that reach some of the most disadvantaged children and for whom the benefits of reading can be most transformative.

Many thanks

Nursery International Postcard Tree

Iwona and the Nursery children have been collecting postcards from all over the world. They have used the postcards to make an International Postcard tree. Isn't it wonderful?

If you have any postcards at home from different countries, please bring them into the Nursery! Thank you

Skills Builder Weekly Challenge

Have you been completing any of these skills builder challenges at home? Please let us know how you are finding these. Here is this week's challenge!

Think of a job in your house or garden that needs doing (maybe cleaning up leaves or tidying a room).

Write down the different tasks that need to be done to complete this job.
Now assign each of these tasks to a person in your house.
Explain to each person why you have given them that job.

Does dividing up a job into smaller tasks make it easier for people to work together? Do you think each person will do their task? What might happen if they don't?

Reflection Questions

Getting Started: How can you find out about how others are feeling about something?

Intermediate: How can you find out more about strengths and weaknesses in others?

Advanced: How might you be able to motivate others to improve their weaknesses?

Mastery: What kind of leader would you like to be?

 Leadership

Skills Builder has resources available for parents/carers on their website. The [Home Zone](#) helps parents and carers to build their child's essential skills at home. Each week they have a different Skills Challenge that parents/carers can complete with their child. [Click here to visit their website](#)
