Friday 13th January

## Head's Chat

Happy Friday everyone!

This week, we welcomed back Mrs Lardner, who has returned from maternity leave. She will be teaching our new Wellington class, as we have split Y3 into two smaller classes.

The children have all settled back really well after the Christmas holidays. They are working hard and having lots of fun too. This half term, the children from Year 1 to 6 will be exploring a new history unit. Hopefully, they will be able to tell you all about their learning in a couple of weeks!

Please look out for an email early next week about school uniform. We are making a couple of changes that should make things easier for everyone.

As I mentioned last week, we are having a big push on lateness this term. Please try hard to get your children to school on time. Maybe set your alarm a little bit earlier and leave home a bit earlier too. If you need any support, let me know and we will do our best to help you.

Have a great weekend everyone!

Mrs Hargie

Headteacher

## Reception Class Applications 2023

The application process opened on 1st September and **closes on 15th January 2023**. The National offer day is 17th April 2023.

## Workshops for Parents

At Wormholt Park Primary School, we understand that working in partnership is vital in supporting the educational and social development of our children. We are excited to announce that we will be holding parent workshops to support parents in understanding what the children are learning, how it is taught and what you can do to help at home. Most importantly, these are intended to help parents support their child's learning and encourage them in whatever they are doing.

Please see below the sessions we have planned for this term:

- Helping your child with Maths (KS1): Thursday 2nd February (Note: No longer on 26/01/23)
- Helping your child with Maths (KS2): Thursday 2nd March

These will be held from 9.00am to 9.30am In the bottom hall . We would love to see you there!

## Class Assemblies

Class assemblies for this term are:

- Friday 20th January 2023 - La Paz (Year 2)
- Friday 3rd February 2023 - Tripoli (Year 5)

These are held in the bottom hall from 10.00am to 10.15am. Doors open at 9.55am

Please can we remind you that any photographs or videos taken during class assemblies are for personal use only and should NOT be shared on any social media.

Please find the list of all the upcoming dates for class assemblies on our website at:

<https://wormholtparkprimary.co.uk/assemblies/>

# Inspire Coffee Mornings

The Inclusion and Specialist Intervention Outreach Service provides specialist interventions to inspire Children and Young People with SEND to transform their lives and achieve the best outcomes. Specialist interventions, assessment, teaching and advice are provided specifically for children and young people with hearing impairment, visual impairment, Autistic Spectrum Disorder and Dyslexia as well as advice for young children with significant developmental delay. There are dates available next week - further information and the email links can be found on our [website](#)

**InSpire Coffee Mornings 2022-23**  
For parents and carers of autistic children and young people

Please join us for these relaxed and informal parent groups hosted online by specialist Teachers for children and young people with autism from Hammersmith & Fulham's InSpire Outreach Service

# Readers of the Week

This week, the Star Readers of the Week are Kathleen in Lima Class (Y2) and Max in Athens Class (Y4). Well Done!

# Year 3 FishKeeper Project

Next week, the Y3 children are starting an amazing FishKeeper Project. They will be setting up their own fish tank and making sure the water is safe in order to welcome their fish in a couple of weeks. Look at the lovely display they created. The children said "We are really excited to learn all about the aquatic world. We created our own fish to set a calming atmosphere for when our fish arrive."

# Skills Builder Weekly Challenge

Have you been completing any of these skills builder challenges at home? Please let us know how you are finding these. Here is this week's challenge!

Think of an activity, task or situation that you find challenging.

What would success look like for you in this situation?

Draw how your success would look (or write it down).

What steps could you take to make this success real?

**Reflection Questions**

**Getting Started:** How does this activity make you feel?

**Intermediate:** How could you use this activity to feel more positive when something goes wrong?

**Advanced:** How could this help you to look on the bright side of something?

**Mastery:** How can you manage your emotional response to best support others?

📌 **Staying Positive**

Skills Builder has resources available for parents/carers on their website. The [Home Zone](#) helps parents and carers to build their child's essential skills at home. Each week they have a different Skills Challenge that parents/carers can complete with their child. [Click here to visit their website](#)
