HAPPY
NEW YEAR
2023

Head's Chat

I hope you all had a great holiday. Happy New Year to everyone.

It has been lovely to have the children back at school. I'm sure they've all grown over the holiday!

We have an exciting term ahead of us and we look forward to working with you to make the children have the very best time at school.

Please remember that you can always come and speak to me at the gate if you have any concerns or worries. Some issues can be dealt with quickly and for others, we can find a suitable time and have a proper chat.

Have a great weekend everyone

Mrs Hargie

Headteacher

Uniform and Lateness

Can all children please come to school in the correct uniform and school colours. There were a few children in random colours today in assembly. Here is a link to our uniform information. Click [Here](#)

We will be closely monitoring lateness this term, as last term, the amount of children arriving after 8.45am was shocking. Please try your very best to get your child to school before the gates close. You can drop them off from 8.30am. I will be talking to parents whose children are persistently late, to find ways to help you. Sometimes parents say their children are taking ages to get ready for example. A quiet word from their teacher can work wonders!

Readers of the Week

This week, the Star Readers of the Week are Anisa and Noor in Year 6, who regularly come and read to me and are both making fantastic progress!

Skills Builder Weekly Challenge

Have you been completing any of these skills builder challenges at home? Please let us know how you are finding these. Here is this week's challenge!

Think of a day, event or activity that you really enjoyed. Close your eyes and describe this day to a member of your family. Ask them to draw what they think it looked like.

How accurate is their drawing?

What else could you tell them to help them improve their drawing?

Reflection Questions

Getting Started: How do we know if we are speaking clearly?

Intermediate: As you speak how can you put your points into a logical order so you can be easily understood?

Advanced: How can you use tone, expression and gesture to make your speaking engaging?

Mastery: How can you adapt the content of what you are saying, in response to listeners?

Speaking

Skills Builder has resources available for parents/carers on their website. The [Home Zone](#) helps parents and carers to build their child's essential skills at home. Each week they have a different Skills Challenge that parents/carers can complete with their child. [Click here to visit their website](#)

Our New Library

Look at our wonderful new library space!

Our amazing educational support staff created this new library in the top hall on our Inset day on Tuesday.

We are all delighted with it and lots of the children have already been spending time reading books there.
