Head's Chat

Eid Mubarak to all our families celebrating!

I hope you all had a lovely break. It was great to see you all back on Monday.

Today, during our INSET day, the teachers have been working hard on a new assessment system, to enable us to assess how the children are getting on in subjects like geography, history, music and art.

We will be launching this at the end of term.

I will be able to give you a definite decision about whether the school will be closed on Thursday 27th and/or Tuesday 2nd May. Early indications show that it is highly probable that the school will be closed to all pupils on Thursday 27th.

Have a lovely weekend everyone,

Anika Hargie

Headteacher

NUT FREE SCHOOL

Please note that we are a 'Nut Free' School, so please ensure any food items brought into school in packed lunches are nut free - Thank you

School Uniform Recycling

We will be holding the next school uniform recycling on **Tuesday 25th April** 2023. On this day, you will be able to swap items of recycled school uniform with items that you are donating. Alternatively, you could buy any of the recycled school uniform for 50p per item.

All donated items are washed before being offered during the next sale. Come and see us on; Tuesday 25th April 2023 from 2.45pm to 3.15pm In the front playground, under the shelter. Any donated items can also be handed into the office , marked for the attention of Mrs Everett. Many Thanks.

Class Assemblies

Class assemblies being held in the Summer term are:

- Friday 19th May 2023 - Harare (Year 1)
- Friday 16th June 2023- Ottawa & Oslo (Reception)

These are held in the bottom hall from 10.00am to 10.15am. Doors open at 9.55am. Please don't be late as this can be upsetting for children expecting you to be there from the start. It is also disruptive for the rest of the children.

Please can we remind you that any photographs or videos taken during class assemblies are for personal use only and should NOT be shared on any social media. Please find the list of all the upcoming dates for class assemblies on our website at:

Skills Builder Weekly Challenge

Have you been completing any of these skills builder challenges at home? Please let us know how you are finding these. Here is this week's challenge!

Read a story or watch a film.

Pause when a character experiences a problem. Ask yourself, is this problem...

- a simple problem? (it has one solution)
- a complicated problem? (there are a few different solutions)
- a complex problem? (there is no 'correct solution')

Write and/or draw how you would solve this problem, if you were the character.

Continuing reading or watching: how did the character solve the problem?

Reflection Questions

Getting Started: How can you best explain a problem you are having to someone else – what do they need to know?

Intermediate: How can you come up with lots of possible solutions?

Advanced: Why is it important to consider a range of solutions for problems?

Mastery: How might you choose between different solutions to a complex problem?

Problem Solving

Skills Builder has resources available for parents/carers on their website. The [Home Zone](#) helps parents and carers to build their child’s essential skills at home. Each week they have a different Skills Challenge that parents/carers can complete with their child. [Click here to visit their website](#)
