Friday 30th June
Head's Chat

Dear Families,

We've had a wonderful week here at school. We have had a Year 4 trip to Kew Gardens, a Year 1 Art Gallery and some Year 6 children went off to PGL today. I'm sure they will have a wonderful time!

There are only three weeks to go until the Summer holidays and we have so much to fit in!

The teachers have written the children's reports, which I will be reading over the next few days - always a delight! The children will meet their new teachers in the last week of term, which we are all looking forward to.

Next week, we have Year 2 off to the Science Museum and Y6 returning from PGL.

Unfortunately, I have had to make the decision to close the school to all children on Wednesday 5th and Friday 7th, due to the ongoing strike action. I apologise for the disruption this may cause.

We are all thoroughly looking forward to the Picnic in the Park on Wednesday 12th June. We are planning to start bringing the children over at about 11.30am, starting with the younger classes. We should all be over by about 11.50am. You can sit with your children and other families and just enjoy yourselves. After the event, when we feel the children need to return to school, you are welcome to keep your children with you, as long as you inform their class teacher, so they can be marked off on the register.

Thank you to all the parents who have made the effort to get their children into school on time. Lateness is still a big issue though. Please try your very best to be on time for the last 3 weeks.

'Every cloud has a silver lining' or 'look on the bright side' are phrases you may have heard your teachers, family members or friends say when something has gone wrong. What do you think these phrases mean?

Talk to a family member or friend about them.

Share your feelings about a time when something positive has come from a mistake or from something going wrong.

Reflection Questions

Getting Started: How does this activity make you feel?

Intermediate: How could you use this activity to feel more positive when something goes wrong?

Advanced: How could this help you to look on the bright side of something?

Mastery: How can you manage your emotional response to best support others?

Staying Positive

Skills Builder has resources available for parents/carers on their website. The [Home Zone](#) helps parents and carers to build their child's essential skills at home. Each week they have a different Skills Challenge that parents/carers can complete with their child. [Click here to visit their website](#)
