Friday 9th June  
Head's Chat

Dear Families,

What an amazing week we've had! On Wednesday, we held our KS1 and EYFS Sports Day in Wormholt Park and on Thursday, KS2 headed over to Linford Christie stadium for their Sports Day.

Both days were a great success. The children behaved brilliantly and it was so lovely to see so many of you there to cheer your children on.

I'd like to thank Ms Relton, who organised the events so well. It was her first time and she smashed it!

This week, Year 4 have started their official Multiplication Check set by the DfE. Next week, Y1 will complete their Phonics Check. I recently got sent last year's results for the Multiplication Check and our results were significantly above the national average. In fact, our school was in the top 20% of schools in the country! Well done present Year 5s.

We are planning an event for July, which I'd like to give you the date for now, so you can keep it free.

We will be having a Picnic in the Park for Reception to Y6 children and their families on Wednesday 12th July at approx 11.30am - more information to follow.. (Nursery will be holding their own event.)

I hope you all have a lovely weekend in the sunshine.

Anika Hargie

Headteacher

## Sports Days

We will be putting lots of photos in next week's newsletter!

## School Bake Sale - Friday 16th June

We're running our second bake sale to raise money for a whole school art gallery at the end of the year. This bake sale will happen **next Friday 16<sup>th</sup> June**.

Your support with this would be amazing to make our end of year event extra special for our pupils. Please help by donating any baked goods for the children to purchase (with ingredients clearly labelled for allergies and **no nuts!**) on Friday morning, along with donations of at least 30p. Every child will get **at least** one cake after lunch each so long as we get donations!

## Year 5 Parents & Carers - Save the date

Parents and carers of children currently in Year 5 (who will be going into Year 6 in the next academic year), You are invited to attend the Transferring to Secondary School meeting being held on Tuesday 12th September from **9.00am to 10.00am** in our bottom hall. Sam Lord will support you and your child with choice and advice sessions regarding Secondary School options in Hammersmith and Fulham. The Session on **Tuesday 12th September 2023** will guide you through :

- what the different type of Secondary School options are;
- how to understand the school's admissions criteria;
- what banding tests will mean to parents and their children;
- what specialist (aptitude) places are available in certain schools;
- what foundation (SIF) places will mean for you and your child;
- the process of how to apply online;
- why it is important to choose your six places, as well as timelines and open days of visits to Secondary Schools.

There will be a Q&A at the end to address any further queries or concerns.

## Hammersmith & Fulham Food Bank

If you need an emergency food parcel, please contact Kim or Sharon in the school office and request a referral. Alternatively, your key worker (if you have one), your GP, Health Visitor, or your housing officer are also able to make referrals.

The foodbank provides 3 days of nutritionally balanced, non-perishable food, as well as essential toiletries. They sometimes have fresh food, bread, etc where local businesses have donated it. When you go to collect your parcel they will always have a conversation with you to discuss your preferences and if there are any other ways they can help you.

# Class Assemblies

Please note the **change** of dates. **New dates** for class assemblies being held in the Summer term are:

- Friday 16th June 2023 - Ottawa (Reception)
- Friday 23rd June 2023 - Harare & Havana (Year 1)
- Friday 7th July 2023 - Oslo (Reception)

These are held in the bottom hall from 10.00am to 10.15am. Doors open at 9.55am. Please don't be late as this can be upsetting for children expecting you to be there from the start. It is also disruptive for the rest of the children.

Please can we remind you that any photographs or videos taken during class assemblies are for personal use only and should **NOT** be shared on any social media.

# Skills Builder Weekly Challenge

Have you been completing any of these skills builder challenges at home? Please let us know how you are finding these. Here is this week's challenge!

## Skills Challenges

[See all Skills Challenges](#)

Organise a game of 'What Am I' with your family. Each member of the family writes an agreed number of objects on small pieces of paper to put in a bowl. Take it in turns to pick an object, describe the object clearly without saying its name and see if your family can guess what it is. You could use a timer to see how many objects people can guess in one minute.

**Extension** - to make this harder you could also write down one word that you are not allowed to use when describing your object.

### Reflection Questions

**Getting Started:** How do we know if we are speaking clearly?

**Intermediate:** As you speak how can you put your points into a logical order so you can be easily understood?

**Advanced:** How can you use tone, expression and gesture to make your speaking engaging?

**Mastery:** How can you adapt the content of what you are saying, in response to listeners?

Speaking

Skills Builder has resources available for parents/carers on their website. The [Home Zone](#) helps parents and carers to build their child's essential skills at home. Each week they have a different Skills Challenge that parents/carers can complete with their child. [Click here to visit their website](#)
