Friday 7th July Head's Chat

Dear Families,

I'm sitting here in a very quiet school today. There are no children, due to the ongoing strike action.

Although it's lovely and quiet and I am getting a lot of paperwork done, I miss them! I'm so lucky to have children come to see me on a daily basis - showing me lovely work, telling me funny things and offering to do little jobs! As hard as being a headteacher might be, I still think I've got the best job in the world - with the most lovely children and families!

I can't wait to see you all next week at the Party in the Park. Please all keep your fingers crossed for good weather. It's looking ok at the moment!

Have a great weekend!

Wormholt Park's First Art Gallery Show! - Friday 14th July

On Friday 14th July, straight after school in the bottom hall, our Arts Council pupils would love to invite all of our families to see the amazing work your children have created for our first ever art gallery show!

Children from Reception to Year 6 have worked incredibly hard to create some incredibly creative pieces on the theme of 'Colour' and there will be an interactive art piece that you and your children can take part in. Our Arts Council will also be judging each group and there will be prizes given to the 'best in show' and a runner up.

We look forward to seeing you!

kills Builder Weekly Challenge

Have you been completing any of these skills builder challenges at home? Please let us know how you are finding these. Here is this week's challenge!

Skills Challenges

[See all Skills Challenges](#)

Think about a journey that you make quite regularly, for example the walk or ride to school or home or to a club you go to. How much attention do you pay to the details of the journey? Try to draw or write down every step of the journey.

Next time you do this journey, check what you have remembered. How much attention did you pay to the smaller details, did you remember colours or writings on signs?

Next time you are carrying out a task, stop and think about any details you may need to pay attention to. What difference will taking the time to do this have on how you complete your task?

Reflection Questions

Getting Started: How do you know if something is too difficult for you?

Intermediate: Why is it important to be willing to take on new challenges?

Advanced: What resources might you need to achieve your goals?

Mastery: What steps do you need to put in place to make your goals happen?

 Aiming High

Skills Builder has resources available for parents/carers on their website. The [Home Zone](#) helps parents and carers to build their child's essential skills at home. Each week they have a different Skills Challenge that parents/carers can complete with their child. [Click here to visit their website](#)
