Friday 28th June

Head's Chat

Dear Families,

We have just said goodbye to our Year 6 PGL group, who are off to have the time of their lives! I will be getting regular updates over the weekend and will keep the PGL parents informed.

I'm sad to say that my 😞 has turned into this 😞 this week, with 163 children late. I'm not sure what to say..... PLEASE - can you all try next week to get to school by 8.45am at the latest every single day.

Can I also remind parents that jewellery is absolutely not allowed to be worn to school apart from stud earrings. We have noticed more and more children wearing all sorts of jewellery. Please check your child before you leave in the morning and remove any jewellery items - thank you.

We have lots of fun activities coming up in the last few weeks of term, so make sure you read this newsletter carefully, so you know what's happening.

Have a great weekend everyone 😊

Mrs Hargie

Headteacher

## Toilet training - a workshop for parents

NOW may be the perfect time to start toilet training your child. If you've got a little one who isn't toilet trained yet and may also have additional needs, INSPIRE are there to help you with everything you need to know about getting started! They will support you with a program broken down into small achievable steps and give ideas to help you as well as always being available if you need some extra advice or support.

Join Andrea & Sandie from the INSPIRE Service via Teams meetings on:

**Friday 28th June and Friday 12th July 2024 - Each session starts at 10.15am**

Toilet training is an important development skill which we have broken into steps for parents so you can recognise the developmental progression. You will need to join us for both sessions, to understand your child's toilet training journey.

Session 1: Getting Started

Session 2: A Whole New World

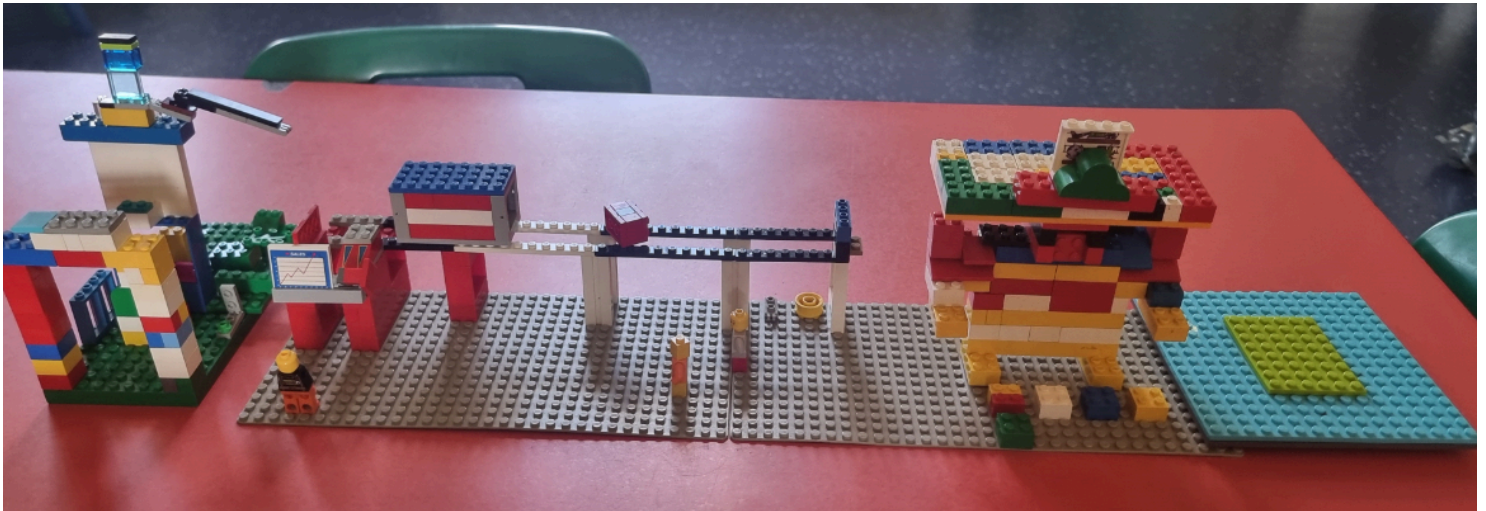

If you want to join us please contact: [Sandie.briggs@lbhf.gov.uk](mailto:Sandie.briggs@lbhf.gov.uk) and she will send you the registration document and the links to the Teams meetings.

## Non-Uniform day

We are holding a non-uniform day for all children on Wednesday 4th July. Instead of donating money for this event we are asking parents/carers to **donate items for the Summer Fair Tombola**. We would be grateful if you could donate items such as food (e.g. jars of jam, packets of biscuits, tinned goods, sweets, crisps) , bottles of drink , or beauty products. Please drop off at the school office or give these to class teachers. Many thanks for your support with this.

## Lego Club

We run a number of different lego clubs during the week. These are always good fun and the children continually amaze us with how creative they are. Look at these fantastic models made by Caiden and his friends.

## Scooters & Bikes

Please remember to collect your child's scooter or bike at the end of the day. There is building work happening at school over the summer holidays. Advanced notice: any scooters or bikes left in the playground at the end of term will be removed from the premises. Thank you for your support with this.

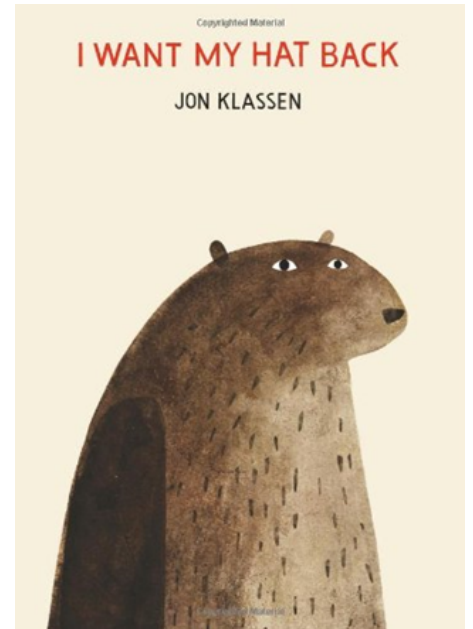

## Weekly Book Review

This week, we have a book review from Harare Class .

**Book: I Want My Hat Back by Jon Klassen.**

This is one of our favourite books for story time. The book is very funny. It keeps you listening from start to finish but you need to keep your eyes on the illustrations. The book is about a huge brown bear who loves his hat but the hat gets lost. What if he never sees it again?

Every time the bear meets another animal, he would ask the same question "have you seen my hat?" When they respond, he says "OK. Thank you anyway." At the end of the book, the bear realises that he has seen his hat! He has to go all the way back to the beginning because the first animal was wearing it. The book is great fun...unless you are a rabbit.

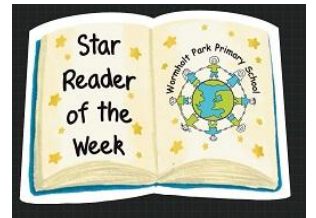

We give this book a five star rating!

## Reader of the Week

This week, the Star Readers of the Week are Shreyan in Harare (Y1) and Emnet in Seoul (Y6)

Well Done

## Skills Builder Weekly Challenge

Have you been completing any of these skills builder challenges at home? Please let us know how you are finding these. Here is this week's challenge!

Skills Builder has resources available for parents/carers on their website. The [Home Zone](#) helps parents and carers to build their child's essential skills at home. Each week they have a different Skills Challenge that parents/carers can complete with their child. [Click here to visit their website](#)

### Skills Challenges

[See all Skills Challenges](#)

Choose someone in your household, or a friend on the phone, to interview about their dream career.

Prepare by writing a list of questions. For example:

- What did you want to do as a job when you were younger?
- Has your dream career stayed the same?
- If you could do anything, what would it be?
- What skills do you need to be successful in your dream career?
- How are you planning to reach your dream career?

During the interview, demonstrate active listening and make a note of their answers.

**Extension:** Interview two people and compare their perspectives.

#### Reflection Questions

**Getting Started:** How can you make sure you are listening carefully?

**Intermediate:** What does it mean to summarise what you have heard?

**Advanced:** Why is summarising or rephrasing what you have heard useful sometimes?

**Mastery:** How might changing the language (words) used affect how you feel about something?
