

# Welcome to NURSERY

In our Nursery, we have two classrooms called Manila and Mogadishu, with two outside areas. Our teacher is Ms Gomez and we also have Mrs Rahmani, Mrs Brunga, Mrs Phillips and Mrs Sheehan in our nursery team!

Our main aim in Nursery is to foster happy and independent children who thrive in an environment that is fun, caring and full of new and exciting challenges and experiences. The children are given opportunities for both indoor and outdoor learning on a daily basis, with activities being planned to stimulate their senses and learning styles.

The EYFS curriculum focuses on seven areas of learning. The prime areas of learning will focus on:

Personal, social and Emotional Development

Physical Development

Communication and Language

The specific areas of learning will look at:

Literacy

Mathematics

Understanding the World

Expressive Arts and Design

All of our children will be working with these seven areas of the curriculum.
