

# Welcome to YEAR 5

TRIPOLI

We have one class in Year 5, Tripoli. Ms Takeram is class teacher, and we have additional support from our Year 5 Teaching Assistant Mrs Dana and Ms Khawaja. Our teacher has very high expectations for us! The aim for us to be ambitious, responsible and independent learners that are ready to be role models for the rest of the school, as they approach their final year at Wormholt.

As our Year 5 pupils grow in maturity, they are expected to set a good example around school. Some of the ways they do this are by keeping the school tidy; as Rights Respecting Ambassadors, as well as being part of the school Eco Team, which helps the school avoid wasting energy and recycling as much as possible.

Year 5 pupils can look forward to a range of interesting and fun topics History and Geography this year, including; The Tudors, The Greeks and learning about why oceans matter and what life is like in the Alps and the desert! Pupils will be able to meet visitors who have a speciality in these areas, and be able to take part in a variety of workshops and trips.

We are looking forward to working together as a team for a year full of learning and fun!
