Friday 31st January

Head's Chat

Dear Families,

It has been a really busy week here, with lots of great learning going on.

Year 3 had an amazing trip to the London Coliseum to see a live music performance of 'The Pirates of Penzance'. They all absolutely loved it!

The children have been playing beautifully in our Opal playground. We have seen some incredible den making by the Year 2s. Their den had all sorts of different spaces, including an area with a slide! It's so wonderful to see how imaginative the children can be.

Ok - I'm sure you are all dying to know if there is an update on the parrot!

Well, a parent has been doing some investigating for me and we now know that the parrot is a girl and her name is Casper! She is a Harlequin Macaw.

Another parent let me know yesterday that she had spotted her in the park. I think Casper must love our school. I'm sure we will see a lot more of her in the future. So next time you see her, remember to say 'Hello Casper'.

Have a lovely weekend everyone!

Mrs Hargie

Headteacher

## Wormholt Park School at Mayor's Cup

Wormholt Park Primary's ecstatic boys and girls football teams took on Old Oak Primary last Friday in an intense clash at the Mayor's Cup Tournament played at Ravenscourt Park.

With some unavoidable delays by the referees, both teams played a short 15-minute match each. The girls came away with a very respectable draw of 0-0 but were so close to scoring with multiple shots on target and a strike from Billie Mae that rattled the near post! Well, done Wormholt Girls.

The boys had an interesting game as well. With the time being shorter than it normally would be and Old Oak being taller than all of our boys, Wormholt had a mountain to climb and these lads climbed like never before! With a freekick a few meters from the halfway line, Old Oak lined up ready to shoot. Wormholt's defence was just getting organised when the shot was taken. An unlucky deflection off one of our defenders put Old Oak up, 1-0, at 7 mins played but our boys weren't giving up yet. With another striker subbed on, Wormholt was hungry for an equalizer. With an inch perfect goal kick from Harry and plenty of one-twos between our boys, the ball landed comfortably into the feet of Admir who laced a shot into the bottom corner of the goal to bring the game level at 1-1. Well done Wormholt Boys!

Our Man of the Match goes to Admir - for bringing us level and still hunting for a second goal right to the final whistle - Saviour!

Our Woman of the Match goes to Hala - for being an absolute machine, she chased down every single ball and was involved in every section of build up play- stunning effort!

## Crossing The Road

Please use the crossing outside the school if you are coming from that direction. It is so much safer than crossing by the park entrance.

## Parent Behaviour at Sports Events

I know that our parents/carers would never behave inappropriately at any school event held outside school. However, a representative from the LA has asked me to remind families that if they are watching an event held off site, they must remain polite and respectful towards others. This is absolutely not aimed at our families but there have been a few very unpleasant interactions recently across the borough, involving parents from other schools shouting at children and other parents and staff.

## Year 5 Rights Respecting Campaign

In Tripoli Class, as a part of our rights respecting campaign, we have spent the month of January collecting food to share with the food bank to help others.

We took all of the food collected to 'The Hub' and we could see that it was greatly appreciated!

**Arbor - parent log in - we now have 78% of parents signed up!  
We want to get to 100% asap - so please follow  
the instructions below....**

**From today - the weekly newsletter will be sent via Arbor and our old provider. After half term, it will only be sent via Arbor.**

You will have recently received details to set up your Arbor Parent Portal account. Using Arbor allows us to communicate with you more efficiently, and will enable you to access a wider range of information about your child's school life, via the Arbor Parent Portal and the downloadable Parent App.

The Parent Portal and Parent App will let you see your child's registration data and their attendance. You will be able to register your child for trips and clubs and make payments; all from one portal on your phone or computer. If you have downloaded the App and allowed notifications, we will also be able to send in-app messages directly to your phone.

**How do I log in to the new system?** To set up a login for your account on the new system, you just need to set a password. Your username is the email address we've sent the 'Welcome to Arbor at Wormholt Park School!' to. The Arbor Parent App can be downloaded from either the Playstore on android phones or the Apple Store on iPhones.

**Pupil Data** Once you have logged in, you will be able to see all the basic pupil data for your child(ren), such as guardian contact details, consents and attendance data, by clicking 'View Student Profile'. If you see any data which you think is incorrect, there is the option to request that we change this, by clicking on the grey arrows next to the data; this sends a request to the school to update the data.

**Payments** The option to make payments via Arbor will be activated once you set up your account, we will cease using SchoolComms at the end of this month. Thank you for your support with this change, which we hope will have a positive impact on your experience of communicating with the school.

# Wraparound Care

## Year 3 Trip to The Pirates of Penzance

As a part of their music lessons, Year 3 has had the amazing experience of watching a live music performance – ‘The Pirates of Penzance’ from the ENO at the London Coliseum.

We ate our lunch at the nearby Trafalgar Square and got to watch a relaxed performance, where the lights are kept on, the cast introduce different parts of the show, and there's some audience participation with a few of the opera's songs! The view from our seats was amazing and we're so grateful we got to watch the show.

The class absolutely loved it saying:

*I loved the show because it was so cool. My favourite part was the fast song!*

*I liked the part where Kate sang beautifully and so loud!*

*I wish there was a part 3!*

*I wish there was a part 100!!!!*

## Weekly Book Review

This term, our staff will be writing reviews of books they enjoyed reading. This week we have a book review from Caroline Plummer, our school business manager, about a series of books she enjoyed as a child.

### Book Review: St Clare's series By Enid Blyton

As a child I learnt to read quite young and loved to read. It didn't matter if it was a comic, fiction book or factual book like an encyclopaedia. We would visit the local library in Fulham every week and I would choose 3 books to take home. It was a magical place for me, so many stories to enjoy and we also used to borrow audio stories to listen to together. The library asked all children to write book reviews to help others choose a book to read and that was how I came across the St Clare's series.

I enjoyed reading fiction books but always wanted there to be a sense of reality about them. I also became excited about the series of books, the characters felt familiar to me and it often felt like they were a part of my life. Enid Blyton was an author I loved so when I discovered the St Clare's books I knew I would enjoy them. The world of a school that you lived at with your friends was everything I wanted. They played sports I hadn't heard of before and would talk about midnight feasts, playing tricks on others and all the fun they had with their friends. It seemed a lot more exciting than the school I knew and I asked my parents if I could go to a boarding school instead of the local school my brother and sister attended. I still remember these books fondly and recently bought them as a gift for a young girl that enjoys reading as much as me.

# Skills Builder Weekly Challenge

## Skills Challenges

[See all Skills Challenges](#)

With your friends or family, create a storybook. One person starts the story with an opening sentence, and each person adds a sentence or two to continue it.

Once the story is finished, you can illustrate the scenes as a team, with each person drawing different parts of the story.

### Reflection Questions

**Getting Started:** When do you find it easier (or more difficult) to work with others in a positive way?

**Intermediate:** Have you helped make decisions with others?

**Advanced:** How can you encourage others to help out too?

**Mastery:** What is an 'unhelpful conflict'? How can you avoid this when working with others?

★ Teamwork

Have you been completing any of these skills builder challenges at home? Please let us know how you are finding these. Here is this week's challenge! Skills Builder has resources available for parents/carers on their website. The [Home Zone](#) helps parents and carers to build their child's essential skills at home. Each week they have a different Skills Challenge that parents/carers can complete with their child.
