Head's Chat

Dear Families,

I hope you've all had a lovely week.

The highlight of our week at school was Lima's incredible assembly today. The children put on a talent show with dancers, gymnasts, mathematicians, rappers, cheerleaders, singers and sportsmen and women! The talent in Lima is outstanding. The assembly was all their own ideas and it was amazing. It made me think about how important it is to recognise all children's talents. It's not all about reading, writing and maths. This class proved that each and every one of them is talented in their own way and that's what makes them all so special. Thank you Lima!

I know we are not quite sure when Eid will be just yet, but for all our families celebrating, I hope you all have a wonderful time.

Please remember that we will be holding an Eid Party for all families on Wednesday 2nd April from 4.00-5.30pm.  
Everyone is welcome!

Have a lovely weekend everyone!

## Year 2 Skills Builder Project

This week, Year 2 has been busy working on the "Special Delivery" Skills Builder project. This encourages learners to build essential skills like listening, staying positive, and leadership, by exploring the role of a delivery service in spreading joy through forming their own community delivery service.

Inspired by our visit from postie Rosie we all became Jolly Postmen, making and delivering our own letters. We even designed our own stamps!

This hands-on experience allowed us to practice and apply our skills in a real-world context.

Skills like:

- Listening: Understanding the needs and requests of others.
- Staying Positive: Maintaining a positive attitude and outlook, even when facing challenges.
- Leadership: Taking initiative and guiding others in the delivery process.

We worked really hard to complete our challenge but also had a lot of fun. We hope everyone enjoyed reading our letters and that we spread some joy!

## Skills Builder Weekly Challenge

Set a small goal to help you stay positive throughout the week. For example, you might like to write down one thing you are grateful for each day or tell yourself one thing that you are looking forward to every morning.

You might like to write down your goal and put this reminder somewhere that you will see it each day to remind you.

**Reflection Questions**

**Getting Started:** How does this activity make you feel?

**Intermediate:** How could you use this activity to feel more positive when something goes wrong?

**Advanced:** How could this help you to look on the bright side of something?

**Mastery:** How can you manage your emotional response to best support others?

🕒 Staying Positive

Have you been completing any of these skills builder challenges at home?

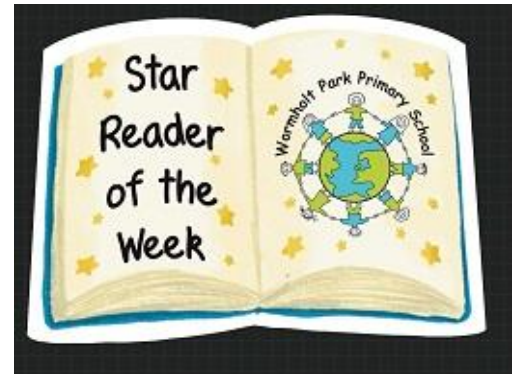

Please let us know how you are finding these. Here is this week's challenge! Skills Builder has resources available for parents/carers

on their website. The [Home Zone](#) helps parents and carers to build their child's essential skills at home. Each week they have a different Skills Challenge that parents/carers can complete with their child.

## Reader of the Week

This week, the Star Readers of the Week are Alissa from Ottawa (Rec) and Amin from Washington Class (Y3). Well Done both of you!

## Weekly Book Review

This term, our staff will be writing reviews of books they enjoyed reading. This week we have a book review from Miss Wahid – One of our lunchtime supervisors.

### **Book Review: The Elves and The Shoemaker**

This is a story about a poor shoemaker who prepares to do something useful to help himself to get some money.

His job is to make shoes for people to buy. One night he had enough fabric to make just one pair of shoes, he sets out his work to get on with in the morning. Overnight, some elves came and put the fabric together for him so beautifully. The shoemaker and his wife were so surprised especially when someone came first thing to buy them and gave them a good price.

Each night the same thing kept happening until the shoemaker became rich.

I really enjoyed this story as a child as it was very inspiring to hear about working hard and trying your very best even when there seems hardly anything left. It was also nice to see that when the shoemaker became rich, he remained kind and caring when we often hear about characters becoming greedy and selfish.
