Head's Chat

Dear Families,

What a busy week we have had!

Year 6 worked brilliantly during their SATs tests and I'm sure they have all done their very best.

Reception children went on a trip to the Natural History Museum and had a wonderful time. They behaved beautifully and learnt so much.

On Tuesday, we held our 2nd Movie Night , this time for Years 3 and 4. They all had a great time.

Today, Washington had their class assembly all about Ancient Egypt. It was brilliant. The children performed so well and the families attending loved it. Well done Washington!

Next Monday, we have Year 5 and 6's Movie Night. It starts at 4.00pm and finishes at 5.45pm - see you there children 😊

Please remember to follow us on Instagram - we have so many lovely posts and stories of the children

We have one more week before the half term break - let's see if everyone can be on time every day!

We have 95% attendance this week - which is amazing!

Have a lovely weekend all of you,

From Mrs Hargie

# Skills Builder Weekly Challenge

How can you tell you have really understood what someone has told you?

One way to do this is to repeat back exactly what you have heard.

Another is to rephrase what you heard.

A third way is to ask questions to check your understanding. (You can use who, what, when, where, why and how questions, but make sure they are linked to what the person was speaking about).

Over the next week, have a go at using all three of these strategies to check you have understood what someone has said to you.

Which one worked best? Did the situation make a difference as to which strategy you used?

))) Listening

## Reflection Questions

**Getting Started:** How can you make sure you are listening carefully?

**Intermediate:** What does it mean to summarise what you have heard?

**Advanced:** Why is summarising or rephrasing what you have heard useful sometimes?

**Mastery:** How might changing the language (words) used affect how you feel about something?

Have you been completing any of these skills builder challenges at home?

Please let us know how you are finding these. Here is this week's challenge! Skills Builder has resources available for parents/carers on their website. The [Home Zone](#) helps parents and carers to build their child's essential skills at home. Each week they have a different Skills Challenge that parents/carers can complete with their child. ## Weekly Book Review

This week we have a book review from Havana Class (Y1)

### Book Review: Claude in the City by Alex T Smith

We are reading this story in class. It is about a dog called Claude who has an adventure in the city. He meets lots of crazy characters along the way. Claude was very clever as he was able to stop a robber from stealing a precious statue in an Art Gallery. The robber nearly dropped the statue which would have been a disaster! Claude caught the robber who was arrested and Claude saved the day! He received a special shiny medal.
