

# Wormholt News

Friday 11th July

Head's Chat

Dear Families,

What a wonderful week we've had!

Our Picnic in the Park on Wednesday where we all shared picnics together, was so much fun.

We then had our School Fete on Thursday, which was incredible. A big shout-out to Ms Virdee for organising it all! Everyone looked like they were having so much fun 😊

Please visit our Instagram for some photos of our events!

Then today, Year 6 excelled themselves and performed their Leavers Show to parents and they smashed it! They took us through their journey in Wormholt, from Reception to Year 6. We had songs, wonderful speeches about the children's memories of school, Opal activities being demonstrated on stage and some great acting!

Well done Year 6 - we all wish you the very best for your futures in High School.

Have a lovely weekend everyone.

Mrs Hargie

Headteacher

## Rights Respecting - Article of the Week

This week we are revising all the articles.

We are SO proud to call ourselves a GOLD UNICEF UK Rights Respecting School. Did you know that we are the ONLY school in Hammersmith & Fulham who have been awarded Gold Status. This means that the children, young people and adults in our school have a thorough understanding of child rights, and rights respecting attitudes and language are embedded across the school. Also that all students see themselves as rights respecting global citizens and are advocates for social justice, fairness and children's rights at home and abroad. We couldn't be more proud of the children who come to our school!

## Skills Builder Weekly Challenge

Summer is almost here - it's a great time of year to think of the future. What would you like to achieve in the coming months? Write down a goal you have and begin to plan how you can reach that goal.

Consider:

- What will success look like?
- How will you feel when you reach that goal?
- What will you need to do to be successful?
- Who might be able to help you?

**Extension:** Consider how you are going to track this goal.

**Reflection Questions**

**Getting Started:** How do you know if something is too difficult for you?

**Intermediate:** Why is it important to be willing to take on new challenges?

**Advanced:** What resources might you need to achieve your goals?

**Mastery:** What steps do you need to put in place to make your goals happen?

## Weekly Book Review

This week we have a book review from our Nursery Class

### Book Review: "The Very Hungry Caterpillar" by Eric Carle.

This term, our class has been enjoying the timeless story "The Very Hungry Caterpillar" by Eric Carle. The book follows the journey of a tiny caterpillar as it hatches from an egg, eats its way through a variety of delicious foods, and eventually transforms into a beautiful butterfly.

The children have loved engaging with the story through colourful illustrations, counting the different fruits, and learning about the days of the week. The story sparked their curiosity about nature, growth, and change.

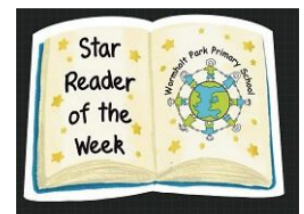

Here are some lovely things the children have shared about the book:

- "I like the caterpillar because he eats lots of yummy food!"
- "The butterfly is so pretty when it flies."
- "I liked counting all the fruits the caterpillar ate."
- "It was funny how the caterpillar got a tummy ache."

The children's enthusiasm has made this story a favourite in our classroom this term. Well done, Nursery!
