Skills Builder Weekly Challenge

Each evening for the next week, consider how you have felt throughout the day.

How can you express this to someone in your household? You could write it down or draw how you feel. Or would it be easier to talk about it?

Throughout the week try a few different ways of expressing how you have felt that day. Which way was the easiest method for you to explain your feelings? How did the other person react?

Leadership

Reflection Questions

Getting Started: How can you find out about how others are feeling about something?

Intermediate: How can you find out more about strengths and weaknesses in others?

Advanced: How might you be able to motivate others to improve their weaknesses?

Mastery: What kind of leader would you like to be?

Have you been completing any of these skills builder challenges at home?

Please let us know how you are finding these. Here is this week's challenge! Skills Builder has resources available for parents/carers on their website. The [Home Zone](#) helps parents and carers to build their child's essential skills at home. Each week they have a different Skills Challenge that parents/carers can complete with their child.

Weekly Book Review

This week we have a book review from Washington Class (Y3)

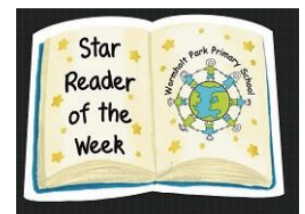

Book Review: Diary of a Wimpy Kid By Jeff Kinney

This book is about Greg and his family who go on holiday to a tropical island resort. They decided to get away for some much-needed rest and relaxation. Their vacation turns into a nightmare, from sun-poisoning to venomous creatures! Our favourite part was when Greg learned his family were in trouble and decided to escape the island. We rated it 5 stars and we recommend it to KS2 children who enjoy adventurous stories.

Reader of the Week

This week, the Star Readers of the Week are Kierra-Shay from Lima Class (Y2), Cherif from La Paz Class (Y2), Ayah from Seoul Class (Y6) and Sultan from Santiago class (Y6). Well Done Children!

Please remember to collect your child's scooter or bike at the end of the day. There is building work happening at school over the summer holidays.
