Head's Chat

Dear Families,

We've had another wonderful week here at Wormholt.

So many trips and great learning has taken place this week. Please remember to look at our Instagram to see all the activities that happen each week.

Thank you to everyone for wearing your own clothes and giving money for our Opal playground. We will be able to buy some great new resources with all the money raised 😊

Please remember to put your child's name down for Nursery if you haven't already. Just pop into the office and speak to Kim.

All I have left to say is - have a very happy half term break and we will see you all back at school bright and early on Monday 23rd February!

Mrs Hargie

Headteacher

Ramadan

Ramadan begins during half term and we understand that some of our older children will want to fast. We need to be mindful about the impact of fasting on younger children and we would encourage only weekend fasting at home, when the children can rest and perform prayers with their wider family or choosing a day or two in the week when they fast.

Children in Key Stage 1 will not be able to fast at school, as they are simply too young. If you do want your KS2 child to fast, it is really important that we have your permission first, so please let the office know as soon as possible. You can either call or email info@wormholtparkprimary.co.uk.

If we don't have your permission, I'm afraid they will not be able to fast.

Thank you as ever for your support.

OPNY - Our Planet Needs You

On Wednesday 25th February, there will be a competition with other primary schools in the borough to see what percentage of children actively travel to school. This means how many walk/scooter/cycle.

So on February 25th, please don't drive your child to school. Leave your car at home and walk. We will get points for every child who actively travels but we will have points taken away for every car they see!

Let's all help the planet by not driving to school!

Your child will qualify for the HAF programme if all these statements apply to you:

- your child or children are eligible for benefit related free school meals (FSM)

All activities aim to be inclusive and providers can adapt to meet additional needs if their risk assessment allows. Please contact individual providers for more information.

Readers of the Week

This week, the Star Readers of the week are Theo from Lima Class (Y2) and Evie from Santiago Class (Y6)

Class Book Review

This week, we have a book review from Tripoli Class (Y5)

Book: Odysseus by High Lupton

In our class we have been reading the book Odysseus by High Lupton. The book is all about Odysseus who has been at war for many years, he is finally ready to set sail for his home Island of Ithaca and very happy to be doing so!

However, on his voyage home he upsets the powerful Greek god Poseidon who then turns his voyage home into an adventure he did not expect!

This book has taught us many new words and given us lots of historical information about Greece-lots of us want to go on holiday there now!

The book does have some tricky words but if you want a book about ancient Greece or are interested in Greek gods and goddesses, we would recommend that you read this book!

Attendance - this week

The more time your child has off school, the less chance of success they have with their learning. Please only keep your child off school if they are genuinely unwell. If your child is unwell, please contact the school office: 0208 743 5073, you can also contact us via Arbor App and email.
