Head's Chat

Dear Families,

We've had some exciting news this week! We've found out that the school has been shortlisted for the 'Play Space' award at the Education Business Awards 2026:

'our researchers have carefully selected your school based on various factors, including recent achievements, Ofsted Reports, positive news coverage and contributions to the education sector.'

The award event will take place on 26th March! I wonder if we will win?

Next Tuesday, we have 40 visitors from schools around the country coming to look at our Opal playground. These are schools who are thinking of adopting Opal for their playgrounds. We are really excited to show them the amazing play provision our children receive every day.

In the Summer term, we will hold another Stay and Play session, where you can come and play with your children at playtime!

This week, we had a lovely assembly all about London performed by Harare Class. Year 3 classes both went to Gunnersbury Park Museum for a workshop, Year 6 went on a Junior Citizen Trip and Reception went to the park.

All these extra curricular activities are so enriching for the children.

Today, our Governors visited and we talked to them about our new SEND unit and our Climate Action Plan. They also chatted to some Year 6 Eco Warriors about the work we do with OPNY (Our Planet Needs You) and they watched Harare's assembly. They were very impressed with everything they saw and heard.

Have a lovely weekend everyone.
