3. Enter your child's name, as it appears on the school register, and your contact details

Smart Watches

Just a reminder to families that children should not be wearing smart watches at school. Like mobile phones, they should be left at home or in the school office for safekeeping.

Class Book Review

This week, we have a book review from Nursery Class

Book: The Mixed-Up Chameleon by Eric Carle

We like The Mixed-Up Chameleon because it is funny and silly.

The chameleon can change colours. He sees lots of animals and wants to be big and strong like them. He wants to be like a polar bear and a flamingo and lots of other animals. He gets all mixed up!

The pictures are very pretty and colourful. We like the bright colours. The story makes us laugh.

At the end, the chameleon learns it is good to be himself. That makes us happy. We love this book! We give 5 stars to this book.
