Head's Chat

Dear Families,

This week, I would like to dedicate this section of the newsletter to our Year 6 pupils, who are taking their SATs tests next week.

Dear Year 6,

As your SATs approach, I wanted to take a moment to wish each and every one of you the very best of luck. You have all worked incredibly hard to get to this point, and that effort matters more than any single test ever could.

SATs are just one small part of your journey. They are a way to show some of what you've learned in school—but they don't tell the whole story of who you are. They can't measure your kindness, your creativity, your sense of humour, your determination, or the way you support your friends. They don't capture your talents in art, music, sport, problem-solving, or the unique way you see the world.

Each of you is different, and that's exactly how it should be. Some of you shine when writing stories, others when solving tricky maths problems, and others when making people laugh or helping someone feel included. Those qualities matter—deeply—and they will carry you far beyond any test.

So as you go into your SATs, do your very best, take a deep breath, and remember: this is not about being perfect. It's about giving it a go and showing what you can do right now. No matter what happens, you should be proud of yourselves.

Believe in who you are, not just what a test says.

Wishing you calm minds, confidence, and a little bit of courage when you need it most.

You've got this!

Mrs Hargie

Rights Respecting - Article of the Week

Next week we are learning about **Article 40**

Article 40: I have the right to be treated as a child if I break the law

Centre for ADHD & Autism Support (CAAS)

Centre for ADHD & Autism Support (CAAS), are a charity-based organisation supporting families, children, and young people with ADHD or Autism—including those who are still on the diagnostic pathway. A formal diagnosis is not required to access our services.

In addition to their regular drop-ins at their Eastcote Centre, they also offer weekly drop-in sessions at WEST Youth Zone .

 Where: WEST Youth Zone, 2 EdCity Walk, London, W12 7TF

 Nearest station: White City

 When: Mondays (term time only), 10:30 AM – 12:00 PM

These informal sessions are a great way to meet the CAAS team, learn about available support, and connect with other parents and carers in similar situations.

Please note that children should not attend, as they aim to provide a space where parents and carers can talk freely. You're welcome to join at any time during the 1.5-hour session—there's no need to stay for the whole time.

Further information can be found on the leaflets on our webpage here. [Click Here](#)

Drop-In Support

at WEST Youth Zone

For parents and carers of ADHD/Autistic children
We kindly ask that children do not attend

These support sessions offer a welcoming introduction to our services, giving you the chance to learn about the support available for you and your family, and meet other parents and carers in similar situations.

Readers of the Week

This week, the Star Readers of the week are Anwar from Lima Class (Y2) and Fatima from Santiago class (Y6). Well done children!

Class Book Review

This week, we have a book review from Washington Class (Year 3)

Book: The Boy who cried Fish by A.F Harrold

The story is about a boy who lives in the circus whose best friend, a sealion called fish, goes missing. Even though the book sounds sad, there is a happy ending! My favourite part about the book were the pictures and the funny jokes that made me laugh. I would rate it 5 stars because of the drawings. By Kelia

Attendance - this week

The more time your child has off school, the less chance of success they have with their learning. Please only keep your child off school if they are genuinely unwell. If your child is unwell, please contact the school office: 0208 743 5073, you can also contact us via Arbor App and email.
