

# Wormholt News

Friday 26th June  
Head's Chat

A short newsletter this week just to say a huge 'Thank You'.

I would like to take this opportunity to thank our entire school community for the incredible way everyone responded to this week's unprecedented heatwave.

To our children, thank you for your patience, resilience and sensible approach throughout the week. You adapted brilliantly to the changes we had to make, looked after one another, and continued to show respect to each other all week.

To our staff, thank you for your flexibility, professionalism and commitment. Your willingness to adapt routines and activities at short notice ensured that our children remained safe, comfortable and able to continue learning despite the challenging conditions.

To our parents and carers, thank you for your understanding, support and cooperation. We know the extreme temperatures created difficulties for many families, and we greatly appreciated your partnership throughout the week.

We were aware that a number of schools made the decision to close due to the heat. However, wherever it was safe to do so, we wanted to continue supporting our families by keeping the school open. In doing this, we carefully followed the latest Department for Education guidance, taking sensible precautions such as encouraging regular hydration, making use of shaded areas, adapting activities, and monitoring the wellbeing of both children and staff.

The way our whole school community worked together demonstrated exactly what makes our school so special. Thank you once again for your patience, flexibility and support. It has been greatly appreciated, and I am proud of how everyone pulled together to ensure the week was a success despite the exceptional weather.

Thank you for your continued support.

Mrs Hargie  
Headteacher
